

DUMBFOUNDED AT POSLAM'S RESULTS

Effectiveness of a New Healing Agent Occasions General Surprise.

"I was perfectly dumbfounded at its results," says Mr. C. E. Thornton, Philadelphia, Pa., who had suffered for ten years from eczema, tried all kinds of remedies and was cured in one month after a few applications of poslam, the new skin remedy.

The rapidity and effectiveness with which poslam works is a source of surprise and gratification to sufferers from every surface skin disease: eczema, acne, leather, scabies, rash, etc. This wonderful healing agent is active from the first application, when all itching is stopped, until a complete cure is effected. And its range of usefulness includes every variety of skin affliction, from pimples, rash, red noses, inflamed complexion, etc., to these virulent and chronic troubles which cause such great distress.

To fully appreciate what poslam will do, obtain one of the free samples by writing to the Emergency Laboratories, 22 West Twenty-fifth street, New York City. This alone is sufficient to cure a small eczema surface, clear the complexion and remove pimples. Lee & Osgood's and Smith's Drug Store in Norwich, the Large Drug Store in Putnam, the Woodward Drug Store in Danvers, the Chesbro Drug Store in Willimantic, as well as all good drug stores everywhere, always carry poslam in two sizes, at 50 cents and \$2.

Lakeville Decided On.

Capt. Fred Daly called the Yale football candidates together Wednesday night and notified them that they would do their preliminary practice in the field in Lakeville, Conn. The grounds of the Hotchkiss school have been engaged and the candidates will report there about September 12 for two weeks' drill before they come to Yale field.

Teacher (looking over a graduating essay)—Do you understand it? Pupil (hesitating)—Why, I wrote it.—St. Louis Post Dispatch.

BUILDS UP THE THIN AND WEAK

Samose Makes Thin People Fat, or The Lee & Osgood Co. Will Return Money.

In Samose are combined flesh-giving food elements that soon produce a steady and noticeable gain in flesh. Taken after meals, Samose mingles with the food, and causes it to be assimilated so that the fat-producing elements are retained in the system, and you will soon get good flesh, steady nerves and a healthy body.

The Lee & Osgood Co. have seen such remarkable results following the use of Samose that they offer to pay for the treatment if it does not make thin people plump and rosy.

You run no risk whatever in buying Samose. It is a true flesh-forming food and is sold under the guarantee of one of the most reputable business houses in Norwich to refund the money if it does not give complete satisfaction.

Sent postpaid on receipt of price, 50c.

THIRD BAPTIST MORTGAGE BURNING

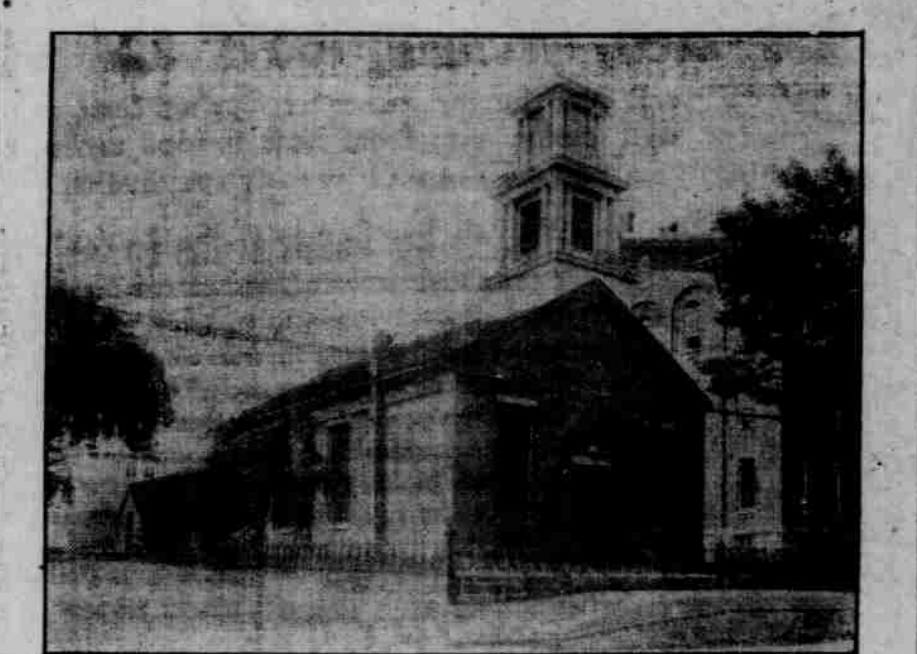

Several Clergymen Heard at the Service in Felicitous and Inspiring Addresses—Doxology Sung as Flames Consumed the Encumbrance.

Long-looked-for freedom from debt was celebrated at the Third Baptist church in Greenville on Thursday evening by a mortgage burning, preceded by inspiring addresses expressive of will and congratulatory on the part of the other churches of the city of the same and other denominations. Felicitations from the state convention were brought by the secretary, Rev. Dr. A. B. Coats of Hartford, and Rev. Charles L. Snow of West Medway, Mass., conveyed a congratulatory message, with suggestions for further growth, to his former parishioners.

The exercises began shortly after 7:30 o'clock and following several hymns from the Alexander song books the pastor, Rev. Joseph R. Very, read the Scripture lesson from Ephesians 1, beginning at the 13th verse. Rev.

ling to keep their head above water. In New York city there are 1,163 millionaires, while three-quarters of the population are compelled to live in tenement houses. He referred to the cry of the thousands of Sunday slaves, nearly one in every ten persons, who are compelled by their employers or a pleasure loving public to work on the Lord's day. The cries from sufferers from drink, from wronged women and children and, finally, from the stranger within our gates, working in our factories, speaking an unknown tongue, and having been driven out of their own country, finding a new form of oppression here, all these are calls for a good neighbor. The man in need, the need of a brother's hand, is thy neighbor.

The hymn There Shall Be Showers of Blessings was sung.

THIRD BAPTIST CHURCH.

R. F. Nye of West Cornwall, Conn., offered prayer and the church choir with Mrs. William A. Lund at the organ, rendered with excellent effect the selection, Praise Ye the Lord. Greetings from the Mother Church.

Rev. Mr. Very expressed a cordial welcome to the large congregation, which comfortably filled the church, and introduced as the speaker to bring greetings from the mother church, Rev. P. C. Wright, pastor of the Central Baptist church, Voluing. The hearty congratulations of his church, personally, he said he had pleasure in the splendid success that has attended the efforts to clear the church from indebtedness, and the Central church is happy with you over your success. He referred to the will-power and ability shown by Rev. Mr. Very. I congratulate the church, not only

From Other Denominations.

Rev. Charles H. Ricketts made a felicitous speech in behalf of the sister churches of other denominations. You have been teaching us the great fundamentals of a Christian religion, patience, courage, persistency, faith and sacrifice. The reasonable expenditure of excess means also the development of greater strength. You have yet to learn that every dollar you gave to your church is now doing a gain, a spiritual investment that will bring back high interest.

Three New Members.

At this point three new members—George A. Howard and Mr. and Mrs. Herbert Peckham—were received into the church and given the right hand of fellowship by the pastor.

Congratulations of the State.

Dr. Coats stated that he brought the congratulations of the 152 Baptist churches in the state. He said that there is something in your hearts after the completion of such a task that leads you to sober reflection, rather than the opposite. For one thing, the work has not been done perfectly, because it was done by imperfect beings. No matter how much heart, how much energy, how much time you put into your work, there is something lacking. The proudest monuments that men can build crumble to dust. But God does all things perfectly, and his work lasts forever. As in the prayer of Moses, let the beauty of the Lord come down and let our earthly labors be put into the glory of God comes into our lives and shines upon our work, the luster is eternal. No life without the beauty of God can be successful; with it any life can be glorified.

Rev. J. R. Very spoke a few words of appreciation of the assistance that has been given him during his labors for the past two years, especially mentioning the help of Mrs. William P. Greene.

Resolutions of thanks have already been sent by the church to the pastor and to Mrs. Greene, who has been the untiring solicitor.

Mortgage Burned.

The ceremony of burning the mortgage followed the pastor's words. Treasurer Stephen E. Peckham handed the document to Senior Deacon Smith Barnes, who applied the match. As the mortgage burned into ashes the Doxology was sung by all present. A hymn was sung and then came the benediction.

The services were concluded a few minutes after 9:30.

The amount of the mortgage burned was \$1,600, all the rest of the church's indebtedness having been in notes. Everything has been paid off, and the church is entirely free from debt.

After the programme, refreshments were served in the chapel by the ladies of the church under the supervision of Mrs. William P. Greene.

Mrs. H. L. Peckham poured cocoa, Mrs. J. R. Lewis tea, and the servers were Mrs. Herbert Peckham, Mrs. Stephen Peckham, Mrs. James Spicer, Mrs. George Bliss, Mrs. George Bailey, Miss Lillian Austin and Mrs. Irving Larkin.

NOANK MEETING.

Delegates to the Prohibition State Convention and New Town Committee Chosen.

Dr. Elithu P. Fitch of Noank presided at a meeting in the interest of Good Citizenship, held Wednesday evening, at the residence of William A. Fraser, in Noank, under the auspices of the Groton prohibition town committee.

After Scripture reading and prayer by Rev. H. B. Rankin, pastor of the Noank Baptist church, John McEwen Dorman of Stratford, Conn., was introduced to discuss Some Problems of the Liquor Question Puts to Us. Mr. Dorman was formerly editor of The Voter, state organ of the prohibition party, and is known over the state as a speaker of unusually forceful logic. He declared we need to strike at the source of supply, affirming that if one-half the time and energy applied to regulation had been applied to its killing, the liquor traffic would have been dead long ago. There is no ground between right and wrong but battle-ground. Wendell Phillips said, "None know what it is to live until life has been redeemed from its apparent monotony by laying it a sacrifice on the altar of some great cause." Hearty applause greeted the conclusion of Mr. Dorman's address.

The following were elected delegates to the state convention in Meriden June 23-25: Dr. E. P. Fitch, Capt. James L. Randall of Groton, Robert Harrison of Groton, Rev. H. B. Rankin, Alvin Cutler of West Mystic and Mrs. J. L. Randall were chosen alternates.

A new town committee was elected as follows: Capt. J. L. Randall, Rev. Welcome E. Bates of Mystic, Deacon Augustus V. Morgan of Noank.

There were brief remarks by County Organizer Ernest Allison Smith of Norwich and by Captain Randall.
